Optical Coherence Tomography (OCT) Revolutionary Skin Detection Technology

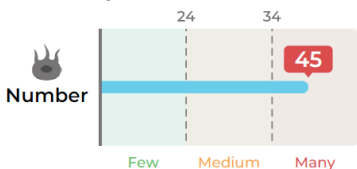

- Non-invasive scanning and data analysis
- View melanocytes, melanin size ratio, collagen fibers and basement membrane

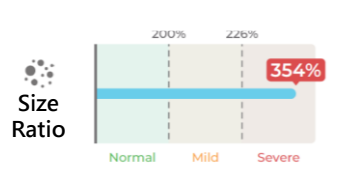

- Skin tomography scanning and report generation

Melanocyte :

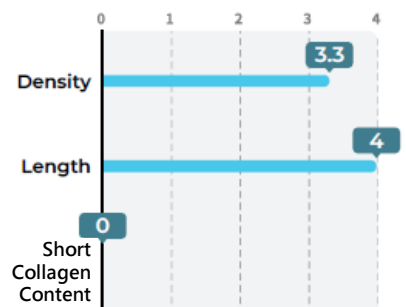

Melanin :

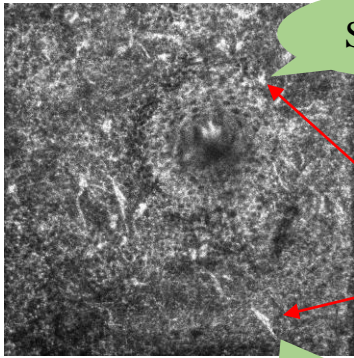

Collagen Fiber Grade :

92/100

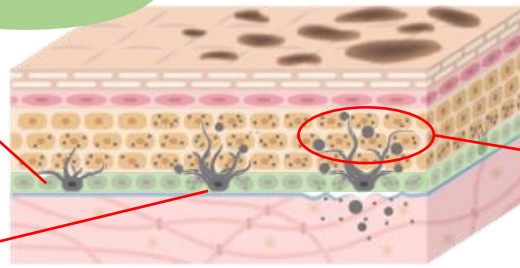

Melanocytes Type

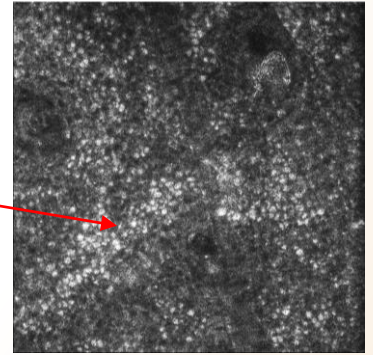

Starburst

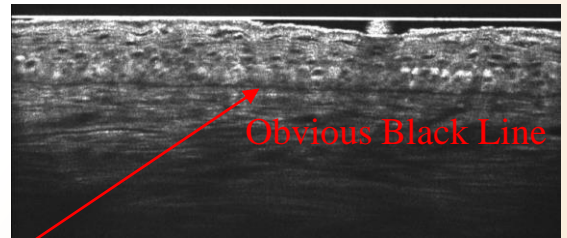

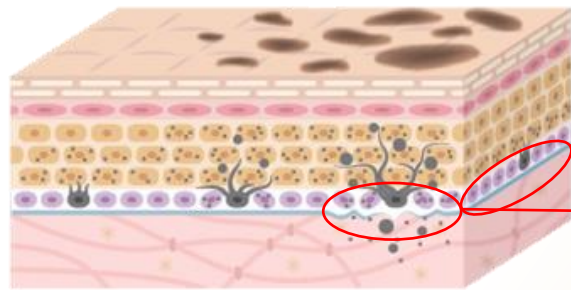

Rod-shaped

Melanin

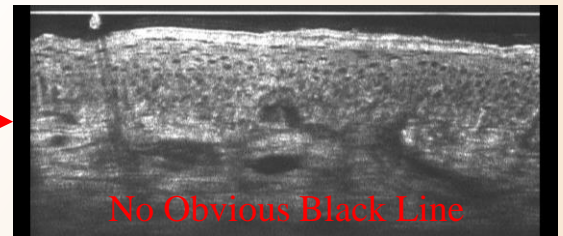

Basement Membrane

Obvious Black Line

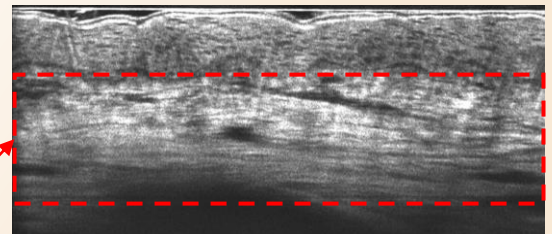

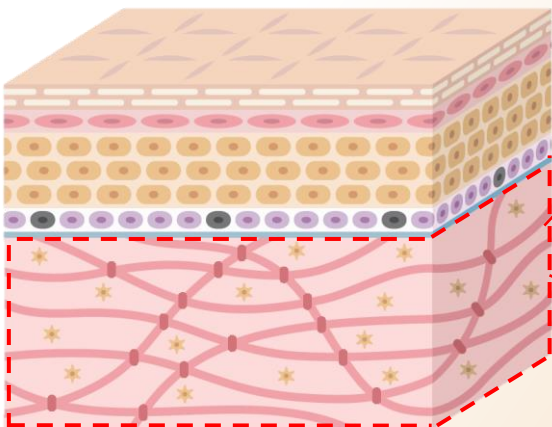

Intact Basement Membrane

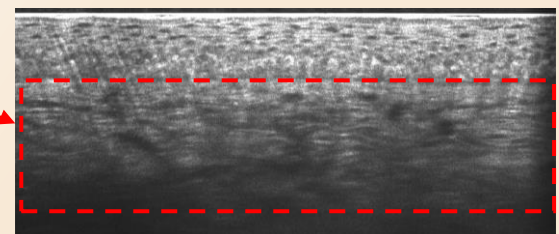

No Obvious Black Line

Disrupt Basement Membrane

Collagen Fibers

Dense and Long
Collagen Fibers from Healthy Skin

Sparse and Short
Collagen Fibers from Photoaging Skin
